NS Executive Committee Record of Action, December 17, 1962, 3:45 P  
M. No. 37

NSC REVIEW  
COMPLETED

1. Following further discussion of the "Operating Plan for the Congo," the President authorized:

Informing U Thant (1) that we are willing to supply the military equipment, including planes, which he has requested; (2) that we are going to talk to Spaak and others about our Congo plan and that we will be in touch with him again in the next few days;

L. Informing Spaak of what we plan to do, including our willingness to consider sending a U.S. fighter squadron to the Congo in support of the UN if necessary and if invited to do so by Adoula;

Informing Adoula of our plans, if these plans are acceptable to Spaak;

Considering a military mission to the Congo immediately (1) to determine the feasibility of basing and protecting a U.S. air squadron there and (2) to estimate the capability of the UN forces there to undertake successful military action;

e. Informing the British at Nassau of our plans in general.

2. The President made clear that if Tshombe was not cowed by the new report, including the introduction of a U.S. air squadron, we would decide on further actions in the light of the requested military appraisal.

3. A U.S. statement for use in the event it is decided to make separate and disagreed U.S. and USSR statements on Cuba to the UN Secretary General was revised and agreed upon.
